Cannon IV Company Profile

Cannon IV – the Managed Print Experts

Cannon IV, Inc. is a leading provider of office, imaging and document solution products and services. Cannon IV integrates best-in-class products and systems to improve document workflow and increase operating efficiencies. Since 2002, Cannon IV has offered managed print services programs nationally to all end-user markets – commercial and public sectors.

Heritage

Cannon IV, Inc. was founded in 1974 by Jerry Jones, President and CEO, and his father Richard. Cannon IV originally specialized in carbon paper and typewriter ribbons, and the company was operated from the family's garage.

As technology evolved, so did Cannon IV. Now with 85 employees, Cannon IV is a nationwide service provider helping clients understand and control the costs associated with printing and imaging. The company is headquartered in a 40,000 square foot facility near downtown Indianapolis and has a regional office in Columbus, Ohio with field sales representatives in Indiana, Ohio and Texas.

Strategic Partnerships

Cannon IV is committed to providing high quality, industry leading printing and imaging solutions. Cannon IV is a certified Specialist in HP Document Solutions, Managed Print Advanced, Public Sector, Healthcare and Graphics. Cannon IV integrates best-in-class systems from leading manufacturers, such as HP, Lexmark, Perceptive Software, PaperCut, Pharos Systems and MPI Technologies to improve document workflow and increase efficiency.
